The Society recognizes the tax benefits from uncertain tax positions only if it is more likely than not, based on the technical merits, that a tax position will be sustained upon examination by the taxing authority. For the year ended December 31, 2020, the Society has determined that there are no material uncertainties in income taxes. The Society has not incurred any income tax related penalties or interest for the year ended December 31, 2020, and is no longer subject to income tax examinations by the Internal Revenue Service for the years prior to 2017.
